The User assumes responsibility for the Personal Data of third parties obtained, published or shared through this Application and guarantees that he has the right to communicate or disseminate them, freeing the Owner from any liability towards third parties.

Method and place of processing of the collected Data

Methods of treatment

The Data Controller adopts the appropriate security measures to prevent unauthorized access, disclosure, modification or destruction of Personal Data.

The processing is carried out using IT and/or telematic tools, with organizational methods and with logic strictly related to the purposes indicated. In addition to the Data Controller, in some cases, other subjects involved in the organization of this Application (administrative, commercial, marketing, legal, system administrators) or external subjects (such as third party technical service providers, postal couriers, hosting providers, IT companies, communication agencies) also appointed, if necessary, as Data Processors by the Data Controller. The updated list of Managers can always be requested from the Data Controller.

Legal basis of the treatment

The Data Controller processes Personal Data relating to the User in the event that one of the following conditions exists:

- the User has given consent for one or more specific purposes; Note: in some jurisdictions, the Data Controller may be authorized to process Personal Data without the User's consent as long as the User does not object to such treatment ("opt-out"). However, this is not applicable if the processing of Personal Data is governed by European legislation on the protection of Personal Data;
- the processing is necessary for the execution of a contract with the User and/or for the execution of pre-contractual measures;
- the processing is necessary to fulfill a legal obligation to which the Data Controller is subject;
- the treatment is necessary for the execution of a task of public interest or for the exercise of public powers with which the Data Controller is invested;
- the processing is necessary for the pursuit of the legitimate interest of the Data Controller or of third parties.

However, it is always possible to ask the Data Controller to clarify the concrete legal basis of each treatment and in particular to specify whether the treatment is based on the law, provided for by a contract or necessary to conclude a contract.

Place

The Data is processed at the Data Controller's operating offices and in any other place where the parties involved in the processing are located. For more information, contact the Owner.

The User's Personal Data may be transferred to a country other than the one in which the User is located. To obtain further information on the place of processing, the User can refer to the section relating to the details on the processing of Personal Data.

The User can verify whether one of the transfers described above takes place by examining the section of this document relating to the details on the processing of Personal Data or request information from the Data Controller by contacting him at the details indicated at the beginning.

Storage period

The Data are processed and stored for the time required by the purposes for which they were collected.

Therefore:

- Personal Data collected for purposes related to the execution of a contract between the Owner and the User will be retained until the execution of this contract is completed.
- Personal Data collected for purposes attributable to the legitimate interest of the Data Controller will be retained until such interest is satisfied. The User can obtain further information regarding the legitimate interest pursued by the Data Controller in the relevant sections of this document or by contacting the Data Controller.

When the treatment is based on the User's consent, the Owner can keep the Personal Data for longer until consent is revoked. Furthermore, the Data Controller may be obliged to keep Personal Data for a longer period in compliance with a legal obligation or by order of an authority.

At the end of the retention period, the Personal Data will be deleted. Therefore, upon expiry of this term, the right of access, cancellation, rectification and the right to data portability can no longer be exercised.

Purpose of the processing of the collected data
