GENESI PROGETTUALE - PROJECT GENESIS

Nestled amidst the majestic sacred mountains, cradled by serene lake Lugano, and embraced by quaint towns adorned with the ethereal purity of edelweiss, the proposed floating park rests as an exquisite gem and historical museum, delicately floating upon the glistening water. It presents and unfolds as a gateway to immerse oneself in the sublime essence of nature's magnificence, where every breath carries whispers of ancient wisdom and timeless beauty.

- 1. Platforms
- 2. Theatre
- 3. Swimming pool
- 4. Changing rooms
- 5. Outdoor theatre
- 6. Feature staircase
- 7. Main viewing point
